

STUDENT EXCHANGE PROGRAMME APPLICATION

International Mobility Programme (Extra Erasmus)

1. Selection Criteria and Process

The number of students admitted to participate in the exchange programme is limited. Each applicant will take part in a selection process aimed at assessing their language skills (in the language of instruction of the host institution) as well as their general and academic suitability.

The selection will be based on:

1. A written test in the language of instruction of the selected institution (students who already attend all their courses in that language are exempted);
2. An oral test in the same language (exempted are students who can provide certified language qualifications or who already attend courses in that language);
3. A motivation letter written in the language of the host institution;
4. A digital personal portfolio (max 5 MB).

In addition, the average grade achieved in previous academic years will be taken into consideration.

It is essential to have an adequate language level in order to follow the academic activities at the selected foreign institution.

2. Programme Structure

The International Mobility Programme, which is not part of the Erasmus+ network, allows selected students to attend a study period at one of the following partner institutions, with which Accademia del Lusso has signed bilateral agreements:

- **AMD Akademie Mode & Design (Germany)**
- **ESMOD France – Fashion School Est. 1841 (France)**

During their stay abroad, students will attend the classes scheduled in the host institution's curriculum and take exams according to its procedures. Successfully passed exams will be recognised by Accademia del Lusso. The final thesis must be discussed at the student's home institution.

Any withdrawal not duly justified by appropriate documentation may result in the invalidation of the academic year, requiring it to be repeated.

3. Orientation and Support Services

The participating institutions commit to providing the necessary support to facilitate the integration of students in international mobility, offering:

- Welcome and orientation programme
- Academic support
- Assistance in finding accommodation (costs borne by the student)
- Support with the documentation required for visa applications (if applicable)

Expenses borne by the student:

- Tuition fee at Accademia del Lusso (already included in the annual fee)
- Accommodation and living expenses
- Travel expenses
- Health insurance
- Teaching materials
- Visa (if required by the host country)
- Extracurricular activities (museums, exhibitions, workshops, etc.)

Costs may vary depending on the chosen destination. Further details will be provided once the mobility period is confirmed.

APPLICATION FORM

To apply for the exchange programme, please fill out the form below and send it to academicoffice@accademiadelusso.com no later than:

INSTITUTION	COUOUNTRY	CITY	MAJOR	FALL TERM NOMINATIONS	SPRING TERM NOMINATIONS
AMD	Germany	Berlin	Fashion Design	1 May	1 December
